What They're Saying

"I truly can't say enough good things about the management

Ardence & Bloom

team here. From the very beginning, everyone has been so kind, warm, welcoming, and helpful. Moving into a new building and a new city can be overwhelming, but they made the whole experience feel so easy and made me feel at home right away.

A special shoutout to Michael, who has been so amazing!

They are always responsive, patient, and genuinely willing to help with anything I need.

You can tell they really care about the residents, and that makes such a difference.

I'm so happy I chose to live here and feel very lucky to have such a wonderful team running the building. Michael, Megan, and the entire team are the best! " - ST

Pet Of The Month

Maisie!

Paws & Appreciation: Saying Hello to Sweet Maisie!

Meet Maisie, our sweet, loving, and amazingly resilient Pet of the Month! This angel's birthday is May 25th, 2013! This precious senior chihuahua may be small in size, but she has a big voice to match—especially when greeting her fellow canine neighbors from the safe vantage point of her mama's or grandparents' arms. Her mom, Marlene, is convinced Maisie could double as Ardence & Bloom's official security detail! When she's not keeping watch over the community, Maisie spends her days snuggling up for cozy cuddles and secretly plotting ways to steal her feline brother's food. Next time you see Maisie and her family around the building, be sure to give this adorable little queen a warm hello!
