### Breakfast On The Go!

# Ardence & Bloom

**The verdict is in: the burritos were a hit.**

Thanks to everyone who joined us for Breakfast on the Go with @cafe\_losfeliz . Seeing so many residents stop by, grab a bite, and start the morning together made our day. Judging by how quickly the burritos disappeared, we'd say this event was a success. Check out the spread below~

## What They're Saying

**"This apartment community is really nice, clean, and well maintained. Huge shoutout to the maintenance team, especially Matthew and Matin, for helping me when I got locked out because my door battery died. They responded quickly, were very professional, and made the whole situation much less stressful.**

Also want to give a shoutout to the leasing team and the cleaning staff, especially Marie, for always keeping the property looking great and welcoming. Really appreciate everyone's hard work!" ~TT
